

**ANTIQUÉ BOAT PARADE  
THURSDAY, JUNE 27, 2019  
PARADE STARTS AT 3:00 PM**

**WHO:** Boats 25 years old or older: New in 1994, or before  
**WHEN:** Thursday, June 27 at 1500 hours (3:00 PM)  
**WHERE:** Boats will rendezvous off RED buoy 8 off Tumbler Island  
starting at 1400 hours (2:00 PM)

The Parade Chair will be monitoring VHF Channel 72.

► **ORDER:** The Boothbay Harbor - Harbor Master's boat will lead the procession with the oldest boat falling in behind her, and the others forming a line based on age: older boats first to newest at the end. Larger and less maneuverable commercial boats will form up at the end of the line of pleasure boats. Please check in with the **Parade Chair** on **VHF Channel 72** for instructions. Boats begin to gather between 2:00 and 2:30 PM.

► **COURSE:** The Harbor Master will lead the parade. You will follow the Harbor Master down the *East Side* of the Harbor past Carousel Marina and Browns Wharf, turning before the footbridge and heading back out the Harbor going by Fisherman's Wharf and the Whale Park. The Whale Park is where the announcing will take place. Then head out of the Harbor and complete the parade.

► **IDENTIFICATION:** All boats are requested to have a **sign** with the **year built** and the **vessel's name** on the starboard bow. A sign with the year built should also appear on the stern to help the announcer in correctly identifying the vessels.

► **RECEPTION:** Sponsored by **Boothbay Harbor Oceanside Golf Resort** following the parade. We expect a nice reception: invite your friends and family. A cash bar will be available. We will have a PA system in place so if you have a story that you would like to share, come prepared!

► The Chamber will be ordering brass boat plaques for Parade participants who request them on the application form. Those who ordered plaques and attend the reception will get their plaques there. Others will have them sent by mail at a later date.
